Reader thanks recently retired sports editor

Dear Editor,

I understand that Jody Korch just recently retired. That will be a loss to the community. As a person who follows local sports very closely, I could always count on seeing Jody at many of our events. He would fly around the venue seeking to capture the perfect angle for an action shot of our athletes. It would have been easier for him to just take a simple photo and then stick to the stats for his article. But, he had a flair for turning the numbers into an intriguing story. He made it fun to read the EagleHerald.

When I coached football at Catholic Central from 1996 through 2001, he was always supportive of our program and I really appreciated that. In addition, as a father and grandfather, I really appreciated the way he covered my sons and grandson. His story telling ability sold many EagleHeralds to be sure. I am confident that many parents would share this testimony.

Thank you Jody for your many years of dedication to our children. You will be missed.
